

Tabitha

Good works and good deeds throughout every day
Comprised Tabitha's discipleship and way.

In Joppa town she did abide
Until all of a sudden she took ill and died.

Washed and motionless in an upstairs room she lay
While Peter was summoned to come right away.

Peter arrived as the widows were weeping
And showed him Tabitha's handmade garments in
their keeping.

"Out" to the widows he did say
As he knelt down beside the body to pray.

Without hesitation he turned and he said,
"Tabitha, get up" and she got up from the dead.

To the saints and the widows he showed her alive
with accord,
So as this became known many believed in the Lord.
