

Our Wish For You

"When Jesus came, he announced the good news of peace to you who were far away and to those who were near.

We both (All!) have access to the Father through Christ by the one Spirit.

So now you are no longer strangers and aliens. Rather, you are fellow citizens with God's people, and you belong to God's household."

~ Ephesians 2:27-19

We are honored that you have come to visit us. We hope that you have grown in worshipping with us, and that you are inspired to come again and witness some of our other ministries on your journey of faith.

Who We Are

In a world that lacks connection, PUMC shares God's love with authentic relationships and a commitment to service.

We are United Methodists, connected to all other UM churches and organizations (different as we are), in a shared ministry and mission to make disciples of all nations.

We are a Christian Fellowship seeking to grow in its understanding of God's word for today; to support, nurture and deepen spiritual growth; and to share the Good News with others through acts of compassion and a commitment to justice.

We are a supportive community which respects the individuality of people, offers care to those in crisis, responds to the needs of the world, and provides Christian education and worship experiences that reflect the diversity of our congregation. We embrace our unique heritage and recognize our common bond with other Christian churches and faith groups.
